                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            Em G
Somehow I?ll have to learn to bend
                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      All this time I watched from the outside
                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            Em
And now I see clearly
                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       Never understood what was wrong or what was right
      All these times I simply stepped aside % \left( 1\right) =\left( 1\right) \left( 1\right) 
                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   I apologize?
                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          Em
                       I watched but never really listened
                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       I apologize?
                       As the whole world passed me by
                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                One day the shadows will surround me
                                                                     Em
       All this time I watched from the outside
                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              Em G
                                                                       Em
                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                D All these times I simply stepped aside
                       Never understood what was wrong or what was right
                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   Em
                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      I watched but never really listened
                                                                  Fm
                      I apologize?
                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      As the whole world passed me by
                                         Em G
                      I apologize?
                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       All this time I watched from the outside
                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         Em
                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     G
                                                                             G
                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      Never understood what was wrong or what was right
              Em
               Someday I?ll accept what I have done
                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      I apologize?
               Em G D
                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       Em G
               Sometime I?ll leave the past behind me
                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      I apologize?
                                                                                                                                            D
