

Five Finger Death Punch - Remember Everything

Tom: E

Intro: Dbm B Gbm A

Dbm B
Oh, dear mother, I love you
Gbm A
I'm sorry, I wasn't good enough
Dbm B
Dear father, forgive me
Gbm A
'Cause in your eyes, I just never added up
Gbm Dbm Gbm A B
In my heart I know I failed you, but you left me here alone

Chorus:

E B Gbm
If I could hold back the rain, would you numb the pain?
A B
'Cause I remember everything.
E B Gbm
If I could help you forget, would you take my regrets?
A B
'Cause I remember everything.

Dbm B
Oh, dear brother, just don't hate me
Gbm A
For never standing by you or being by your side
Dbm B
Dear sister, please don't blame me
Gbm A
I only did what I thought was truly right
Gbm Dbm Gbm B
It's a long and lonely road, when you know you walk alone

Chorus:

E B Gbm
If I could hold back the rain, would you numb the pain?
A B
'Cause I remember everything.
E B Gbm

If I could help you forget, would you take my regrets?

A B
'Cause I remember everything.

Dbm B
I feel like running away
Gbm
I'm still so far from home
A
You say that I'll never change

B
But what the fk do you know?
Dbm B
I'll burn it all to the ground before I let you in
Gbm A
Please forgive me, I can't forgive you now.
Gbm B
I remember everything.

Chorus:

E B Gbm
If I could hold back the rain, would you numb the pain?
A B
'Cause I remember everything.
E B Gbm
If I could help you forget, would you take my regrets?
A B
'Cause I remember everything.

Dbm
It all went by so fast;
B
I still can't change the past
Gbm A
I always will remember everything
Dbm
If we could start again,
B
Would that have changed the end?
Gbm A B E Dbm
We remember everything, everything.
