

# Five For Fighting - Two Lights

Tom: G

What is courage<sup>A</sup>  
 Is it brave?<sup>E</sup>  
 What are Lions  
 I've only seen them in parades<sup>G7</sup>  
 How is love supposed to read<sup>Gb</sup>  
 In a footnote of history<sup>Bm7</sup>  
 What's a tap on your shoulder<sup>E E</sup>  
 That you're afraid to look over<sup>A7 D</sup>  
 A soldier's down in a fire fight<sup>Bm7 E E</sup>  
 No one will look me in the eye<sup>A7 D</sup>  
 This is what it means to be alone.<sup>B D</sup>  
 Tear out my Heart<sup>A E</sup>  
 Feed it to Lions<sup>Bm7</sup>  
 For this one wish I beg you this tonight<sup>D E A</sup>  
 Show me no mercy<sup>E</sup>  
 But spare me my pride<sup>Bm7</sup>  
 I'm going for a drive<sup>D E</sup>  
 And if you find out he's coming home<sup>D A</sup>  
 When I come around the corner<sup>C G</sup>  
 I'll know that it's all right<sup>D A E</sup>  
 If you leave me two lights<sup>D A D</sup>  
 He was young just 23<sup>A E</sup>  
 Didn't have to go  
 But it was the man he wanted to be<sup>G7</sup>  
 Like every son he was an only one<sup>Gb</sup>  
 And one day he said to me<sup>Bm7</sup>  
 Freedom's nothing to look over<sup>E E</sup>  
 Till each man can stand upon its  
 Shoulder<sup>A7 D</sup>  
 I'll right you mountains of letters<sup>Bm7 E E</sup>  
<sup>A7 D</sup>

Each one a little bit better<sup>B D</sup>  
 Know that I'll ever be alone<sup>A E</sup>  
 Tear out my Heart<sup>Bm7</sup>  
 Feed it to Lions<sup>D E A</sup>  
 For this one wish I beg you this tonight<sup>E</sup>  
 Show me no mercy<sup>Bm7</sup>  
 But spare me my pride<sup>D E</sup>  
 I'm going for a drive  
 And if you find out he's coming home<sup>D A</sup>  
 When I come around the corner<sup>C G</sup>  
 I'll know that it's all right<sup>D A E</sup>  
 If you leave me two lights<sup>D A D</sup>  
 Silent Angel<sup>C7</sup>  
 Light the road up ahead<sup>Bm7</sup>  
 As the sentries guard the way<sup>Am7 G7</sup>  
 On the avenue of borrowed time<sup>Gb Abm</sup>  
 [Solo] <sup>A E Bm7 D E</sup>  
 I'm almost home<sup>A</sup>  
 The suns to rise<sup>E</sup>  
 I got to know  
 I've been driving all the night<sup>G7</sup>  
 There's are corner up ahead<sup>Gb</sup>  
 I'm alive and I am dead<sup>Bm7</sup>  
 I drive right through the stop sign<sup>E E</sup>  
 Turn my head as I lift my eyes<sup>A7 D Bm7</sup>  
 My eyes burn<sup>E</sup>  
 Tear out my Heart<sup>A E</sup>  
 Feed it to Lions<sup>Bm7</sup>  
 For this one wish I beg you this tonight<sup>D E A</sup>  
 Show me no mercy<sup>E</sup>  
 But spare me my pride<sup>Bm7</sup>  
 I'm going for a drive<sup>D</sup>
