

FKA twigs - cellophane

tom:

Didn't I do it for you?

Why don't I do it for you?

Why won't you do it for me

When all I do is for you?

They want to see us, want to see us alone

They want to see us, want to see us apart

They want to see us, want to see us alone

They want to see us, want to see us apart

And I, just want to feel you're there

And I don't want to have to share our love

I try, but I get overwhelmed

When you're gone I have no one to tell

And I, just want to feel you're there

And I don't want to have to share our love

I try but I get overwhelmed

All wrapped in cellophane, the feelings that we had

And didn't I do it for you?

Why don't I do it for you?

Why won't you do it for me

When all I do is for you?

And didn't I do it for you?

Why won't I do it for you?

Why won't you do it for me

When all I do is for you?

But I, just want to feel you're there

And I don't want to have to share our love

I try but I get overwhelmed

When you're gone, I have no one to tell

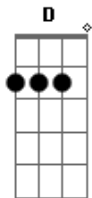

They're waiting, they're watching

They're watching us, they're hating

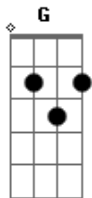

They're waiting and hoping

I'm not enough
