

Flatsound - I Exist I Exist I Exist

tom:
 G G C7M
 Baby please, it's the way you speak
 G C7M
 Forming words so easily
 G C7M
 And I think of the way you think
 G C7M
 It keeps me from falling asleep
 G C7M
 In that grave I call a bed
 G C7M
 Until you called me up and said
 G
 I haven't stopped crying
 G
 My father's been drinking
 C7M
 I need a place to stay
 G
 I don't want to be here
 G
 He's saying the words that
 C7M
 He promised he would never say
 G C7M
 That liquid he consumes
 G C7M
 Makes him speak the truth
 G C7M
 And I said no, it's not that at all
 G C7M
 It's that bottle of lies for a troubled heart
 G C7M
 It's standing on the edge of a mountain top
 G C7M
 Screaming anything he wants
 G
 Like: Look at me, Look at me, Look at me, Look at me, Look at me
 G C7M
 Look at me, Look at me, Look at me
 G C7M
 Because I exist, I exist, I exist, I exist, I exist
 G C7M
 I remember the way you shook
 G
 It's a shame that we're not soulmates
 C7M
 'Cause if I didn't know better

I'd say this feels pretty good
 G C7M
 And how could I be scared?
 G C7M
 When I stretch and feel you're there
 G
 So shut your mouth
 C7M
 'Cause these words will speak themselves
 G
 I can feel them in these blankets
 C7M
 And they're surrounding your figure
 G
 Embraced in the quilts
 C7M
 And I can't help but think
 G C7M
 You're my missing puzzle piece
 G C7M
 G C7M
 G
 I wake up in the hallway, I'm looking for sunlight
 C7M
 With rays that will cure me of the
 G
 Pain that keeps my lungs tight
 G
 Ignoring the voices and feelings that tell me
 C7M
 To get out of this house
 G C7M
 I can't make them stop
 G C7M
 I'm just like my mom
 G C7M
 And you said no, these demons will fall
 G C7M
 You're so precious to us all
 G C7M
 And I said I can't do this alone
 G C7M
 I still need you to hold
 G
 So don't let go, don't let go, don't let go, don't let go
 C7M
 Don't let go, don't let go, don't let go
 G
 Because I'm afraid, I'm afraid, I'm afraid
 C7M
 I'm afraid, I'm afraid, I'm afraid, I'm afraid
