

Flávio José - Pra Quê Solidão

Tom: C

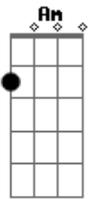

Quando chegar amanhã
 que o sol me acordar
 E eu quiser provar
 Daquele beijo dela
 Quando a saudade
 Entrar pela janela
 Pra tomar conta do meu coração
 Quando chegar amanhã
 que a lua clarear
 E anunciar o fim do nosso amor
 Quando a saudade me cobrir de dor
 Meu beija-flor

Que será eu sem ela
 pra que solidão?
 Se estando longe de você
 Eu não me acho
 Se longe deu você é água sem riacho
 Se o nosso amor não rima
 Com separação (bis)
 Vamos cuidar do nosso amor morena
 Pra que brigar
 Se a vida é tão pequena
 Se o tempo passa
 E o tempo não tem pena
 Esqueça tudo e vem me ver (bis)
 Solo: Dm G C F B E E7 Am
