

# Flávio Miranda - Feliz de Cidade

tom:

Db

Sal, bolha de sabão, pinta de amarelo

Nasce outra canção pra você

Com você

Vi, leva um balão, gira de alegria

Coisas da estação do querer

Florescer

( Db Gb Ebm Ab7 )  
( Db Gb Ebm Ab7 )

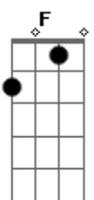

Foi, foi antes do sol brilhar  
Eu sei, sina de tempo é passar

Desejo lá começou  
Feliz cidade descendo a rua  
Verdade

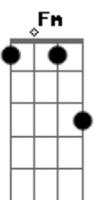

Naquele axé de amor  
Em desvarios e fantasia  
Vontade ficou

Aquele abraço
