

Flávio Tris - Dia da Morte

tom:

G

G Am Bm

Um dia serei morrido
 Meu corpo sera queimado
 Pra morte terei nascido
 Da vida terei voado

Nesse dia serei alado
 Meu membros terãõ sumido
 Os sentidos terãõ sessado
 Tristezas terãõ partido
 Amores serãõ passado

G Am Bm
 Eu e nada lado a lado
 Eu e tudo agora sido
 Sem medalha e sem pecado
 Sem saber de ter vivido
 Sem querer ja ter estado

G Am Bm
 Só o fato consumado
 So mais um corpo despido
 Me despeço sem recado
 Desse peito descabido
 Um dia terei morrido
