Intro: G Am Em C

Verso 1:

G Am
Do you ever feel like a plastic bag,
Em C
drifting through the wind wanting to start again?
Am Em
Do you ever feel, feel so paper thin
C G
like a house of cards, one blow from caving in?
Am Em
Do you ever feel already buried deep?
C G
6 feet under screams but no one seems to hear a thing
Am Em
Do you know that there's still a chance for you
C
'Cause there's a spark in you

Pré-Refrão:

G Am Em C
You just gotta ignite, the light, and let it shine
G Am Em C
Just own the night like the 4th of July

Refrão:

G Am
'Cause baby you're a firework
Em C
Come on, show 'em what you're worth
G Am
Make 'em go "Oh, oh, oh"
Em C
As you shoot across the sky-y-y
G Am
Baby, you're a firework
Em C
Come on, let your colors burst
G Am
Make 'em go "Oh, oh, oh"
Em C
You're gonna leave 'em falling down-own-own

Verso 2:

G Am
You don't have to feel like a waste of space
Em C
You're original, cannot be replaced
Am Em
If you only knew what the future holds
C G
After a hurricane comes a rainbow
Am Em
Maybe your reason why all the doors are closed
C G
So you could open one that leads you to the perfect road

Am Em
Like a lightning bolt, your heart will blow
C
And when it's time, you'll know
