Tom: A

{Each chord is half a measure}

E A E A E A E A  
{intro}

E D A A  
If you wake up and don't want to smile  
E D A A  
If it takes just a little while  
E D A A  
Open your eyes and look at the day  
B B B B  
You'll see things in a different way

E D A A  
Don't stop thinking about

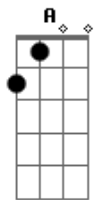

E D A A  
Don't stop; it'll soon be here  
E D A A  
It'll be better than before  
B B B B  
Yesterday's gone, yesterday's gone

Why not think about times to come  
And not about the things that you've done  
If your life was bad to you  
Just think what will do

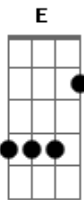

All I want is to see you smile  
If it takes just a little while  
I know you don't believe that it's true  
I never meant any harm to you

E D A A E D A A  
Ooooooooooh, don't you look back....
