

Fleetwood Mac - Dreams Acoustic

Tom: C

Tabbed By: Mark Peters
Email:

Tuning: Standard (EADGBE)

Pretty simple.. i've written out 3 main chords that are alternated through the song.

Fmaj Am G

Verse- Fmaj & G repeated

Fmaj G
Now here you go again
Fmaj G
You say you want your freedom
Fmaj G
Well who am I to keep you down
Its only right that you should
Play the way you feel it
But listen carefully to the sound
Of your loneliness
Like a heartbeat.. drives you mad
In the stillness of remembering what you had
And what you lost...
And what you had...
And what you lost

Chorus:

Am G Fmaj
Thunder only happens when its raining

Am G Fmaj
Players only love you when theyre playing
Am G Fmaj
Say... women... they will come and they will go
Am G Fmaj
When the rain washes you clean you'll know... you'll know

Little solo (X2 = repeat twice)

Verse: Fmaj & G repeated

Now here I go again, I see the crystal visions
I keep my visions to myself
Its only me
Who wants to wrap around your dreams and...
Have you any dreams youd like to sell?
Dreams of loneliness...
Like a heartbeat... drives you mad...
In the stillness of remembering what you had...
And what you lost...
And what you had...
And what you lost

Chorus:

Am G Fmaj
Thunder only happens when its raining
Am G Fmaj
Players only love you when theyre playing
Am G Fmaj
Say... women... they will come and they will go
Am G Fmaj
When the rain washes you clean you'll know... you'll know
