Ab7 Cm
It's the same kind of story
Ab7 Cm
That seems to come down from long ago
Ab7 Cm
Two friends having coffee together
Ab7 Cm
When something flies by their window
Ab7 Cm
It might be out on that lawn
Ab7 Cm
Which is wide, at least half of a playing field
Ab7 Cm
Because there's no explaining what your imagination
Ab7 Cm
Can make you see and feel

Seems like a dream
Ab G7 Cm
They got me hypnotized

Now its not a meaningless question
To ask if they've been and gone
I remember a talk about North
Carolina and a strange, strange pond
You see the sides were like glass
In the thick of a forest without a road
And if any mans ever made that land
Then I think it would've showed

Seems like a dream
They got me hypnotized

They say there's a place down in Mexico
Where a man can fly over mountains and hills
He don't need an airplane or some kind of engine
And he never will
Now you know its a meaningless question
To ask if those stories are right
cause what matters most if the feeling
You get when you're hypnotized

Seems like a dream
They got me hypnotized
