Every night that goes between D G
I feel a little less A Bm

This is only another test A Bm

And every night you do not come D G
Your softness fades away A Bm
Did I ever really care that much? D G
Is there anything left to say? A Bm

G Bm7 D A Bm
Every hour of fear I spend
My body tries to cry G A Bm
Living through each empty night G A Bm

Since many a year ago A Bm
But in those years and the lifetimes past D G
I did not deal with the road A Bm
