

Fleetwood Mac - The Chain

Tom: E

m

Listen to the wind blow, watch the sunrise
Run in the shadows, damn your love
damn your lies And if

And if you don't love me now
You will never love me again
I can still here you saying
You would never break the chain
And if you don't love me now
You will never love me again
I can still hear you saying
You would never break the chain

Listen to the wind blow, down comes the night
Run in the shadows, Damn your love, damn your lies
Break the silence, damn the dark, damn the light

And if you don't love me now
You will never love me again
I can still hear you saying
You would never break the chain And if
And if you don't love me now
You will never love me again
I can still hear you saying
You would never break the chain

Chain, keep us together running in the shadows
Chain, keep us together running in the shadows
