

# Fleshwater - This, If Anything

tom:  
Intro: Em Dbm

[Primeira Parte]

Em Dbm  
Found out there's nothing more  
Em Dbm  
And how you'd sit by the phone  
Em Dbm  
You've seemed to close the door  
Em Dbm  
To question why I'd leave home  
Em Dbm  
That's when you'd need me the most  
Em Dbm  
That's when you'd need me the most  
Em Dbm  
That's when I'd just take off  
Em Dbm  
Take off, take off

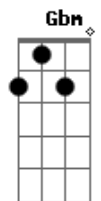

[Pré-Refrão]

Em Gbm Dbm  
Done a lot to keep up  
Em Gbm Dbm  
But you'll never catch up to me  
Em Gbm Dbm  
Was it me who closed the door?

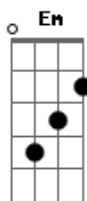

[Refrão]

Em Gbm Dbm  
Save these memories before I delete them  
Em Gbm Dbm  
Strange how much it means and just like that I forget

But now what difference does it make?

Let go, let go

[Pré-Refrão]

Em Gbm Dbm  
But you'll never catch up to me

Now I'm the one nailed to the chair

So much for so-longs

See you in heaven
