

# Fletcher - About You

Tom: **G**

[Verso 1]

**Em**  
Drinking my coffee, just ruined my day  
**C**  
Picturing us at that corner cafe  
**G** **G**  
Ya, ya, ya ya, ya, ya, ya ya  
**Em**  
Grabbing my keys, they feel heavy to me  
**C**  
'Cause you gave me back the one you don't need  
**G** **G**  
Ya, ya, ya ya, ya, ya, ya ya

[Pré-Refrão]

**Em** **C**  
I'm not tired, I'm not lonely  
**G** **Bm**  
So why does my mind go back to when you used to hold me?  
**Em** **C**  
Time, yeah, it's been enough time  
**G** **Bm**  
To get you out of my mind

[Refrão]

**Em** **C** **G**  
But now I'm thinking, I'll never stop thinking about you  
**Em** **C** **G**  
Yeah, I'm just wondering when I'll stop wondering about you  
**Em** **C**  
You got your hands on me, you got your hands on me  
**G** **G**  
A thousand miles away, but you still got your hands on me  
**Em** **C** **G**  
And I'm thinking, I'll never stop thinking about you

[Verso 2]

**Em**  
Going new places, meeting new faces  
**C**

But your memory still isn't fading  
**G** **G**  
Ya, ya, ya ya, ya, ya, ya ya  
**Em**  
Maybe I still got some shit left to say  
**Em**  
Maybe your ghost is stuck in my brain  
**G** **G**  
Ya, ya, ya ya, ya, ya, ya ya

[Pré-Refrão]

**Em** **C**  
I'm not tired, I'm not lonely  
**G** **Bm**  
So why does my mind go back to when you used to hold me?  
**Em** **C**  
Time, yeah, it's been enough time  
**G** **Bm**  
To get you out of my mind

[Refrão]

**Em** **C** **G**  
But now I'm thinking, I'll never stop thinking about you  
**Em** **C** **G**  
Yeah, I'm just wondering when I'll stop wondering about you  
**Em** **C**  
You got your hands on me, you got your hands on me  
**G** **G**  
A thousand miles away, but you still got your hands on me  
**Em** **C** **G** **G** **C** **G**  
And I'm thinking, I'll never stop thinking about you  
**G** **Em** **C** **G**  
Now I'm just thinking about you, no, no  
**Em** **C** **G**  
Now I'm just thinking, thinking about you, ooh  
**Em** **C** **G**  
And I'm wondering, just wondering about you, ooh  
**Em** **C**  
You got your hands on me, you got your hands on me  
**G** **G**  
A thousand miles away, but you still got your hands on me  
**Em** **C** **G**  
And I'm thinking, I'll never stop thinking about you
