

Fletcher - Bitter (feat. Kito)

tom:

Intro: Gbm Dbm A D7M Gbm

It's like being on the outside of an inside joke
It's like when they only got Pepsi, but you really want Coke
It's like you finally get a text back and it's just your mom
It's like when you just broke up and they play your song

I know this shit is kinda stupid
But it's just the way I'm feeling right now
And I hate that I can tell that someone's probably
In my shoes by now, right now

I know she's thinkin' that she found herself a winner
I know you fucked her on the counter
Right before you cooked her dinner
Yeah, I know you think about me when you kiss her
I left a taste in your mouth
Can she taste me now that you threw out
All our furniture and pictures?

I bet you sugar coat the truth
I bet you're real sweet with her
Yeah, I know you think about me when you kiss her
I left a taste in your mouth
Can she taste me now? I'm bitter

I'm bitter, I'm bitter
I'm bitter, I'm bitter

I'm bitter
Hear about your new life and the brand new you
It's like heard you got a new job, but I heard you moved
It's like I don't wanna hear it, don't wanna hear about you
It's like I don't give a fuck (yeah I do)

I know this shit is kinda stupid
But it's just the way I'm feeling right now
And I hate that I can tell that someone's probably
In my shoes by now, right now
