G
I haven't been on a plane this year but
Am Cadd9
I've traveled so many places in my head
G
I haven't seen many friends this year so
Am Cadd9
I've had to get along and hang out with me instead
G
I saw all the parts I didn't like
Am
So insecure, so quick to fight
Cadd9
I didn't know I was so co-dependent
Cadd9
I didn't know I had so much resentment
G
Through the changes and the traumas
Am
I was keepin' in a closet
Cadd9
Way too much shit that I don't wanna go through
Cadd9
But I got nothin' to do
[Refrão]
