

# Fleurie - Hurts Like Hell

Tom: C

Am F Em  
How can I say this without breaking  
Am F Em  
How can I say this without taking over  
Am F Em  
How can I put it down into words  
Am F  
When it's almost too much for my soul alone

F Em Am  
I loved and I loved and I lost you  
F Em Am  
I loved and I loved and I lost you  
F D Am  
I loved and I loved and I lost you  
F  
And it hurts like hell  
D  
Yeah it hurts like hell

Am F Em  
I don't want them to know the secrets  
Am F Em  
I don't want them to know the way I loved you  
Am F Em  
I don't think they'd understand it, no  
Am F D  
I don't think they would accept me, no

F Em Am  
I loved and I loved and I lost you  
F Em Am

I loved and I loved and I lost you  
F D Am  
I loved and I loved and I lost you  
F  
And it hurts like hell  
D  
Yeah it hurts like hell

F G  
Dreams fight with machines  
D  
Inside my head like adversaries  
F G  
Come wrestle me free  
D  
Clean from the war  
F G  
Your heart fits like a key  
D  
Into the lock on the wall  
F G  
I turn it over, I turn it over  
D  
But I can't escape  
F G  
I turn it over, I turn it over  
F Em Am  
I loved and I loved and I lost you  
F Em Am  
I loved and I loved and I lost you  
F D Am  
I loved and I loved and I lost you  
F  
And it hurts like hell
