You spin my head right round, right round
When you go down, when you go down down

Hey
Hopped out of that house with my swagger
Hop in that with girl, I got places to go!
People to see, time is precious
I look at my crowd and they out of control
Just like my mind where I'm going
No women, no shorties, no nothin but clothes
No stoppin now, my parolees on role
I like my jewelry, that's always on gold
I know the storm is comin
My pockets keep tellin me it's gonna shower
Call up my homies that's home
Then pop in the night cuz it's meant to be ours
We keep a fade away shot cuz we ballin
It's platinum patron that be ours
Lil mama, I owe you just like the flowers
Girl you to drink with all that and power clubs
