

# Flogging Molly - Drunken Lullabies

Tom: G  
Intro:

G  
Must it take a life for hateful eyes  
Em  
To glisten once again  
C  
Five hundred years like Gelignite  
Em D  
Have blown us all to hell  
G  
What savior rests while on his cross we die  
Em  
Forgotten freedom burns  
C  
Has the Shepard led his lambs astray  
Em D  
To the bigot and the gun

C G  
Must it take a life for hateful eyes  
C D  
To glisten once again  
G C Em  
Cause we find ourselves in the same old mess  
G D G  
Singing drunken lullabies  
Intro: G  
I watch and stare as Rosin's eyes  
Em  
Turn a darker shade of red  
C  
And the bullet with this sniper lie  
Em D  
In their bloody gutless cell  
G  
Must we starve on crumbs from long ago  
Em  
Through these bars of men made steel  
C  
Is it a great or little thing we fought  
Em D  
Knelt the conscience blessed to kill  
C G  
Must it take a life for hateful eyes  
C D  
To glisten once again  
G C Em

Cause we find ourselves in the same old mess  
G D G  
Singing drunken lullabies  
C D G  
Ah, but maybe it's the way we're taught  
C D G  
Or maybe it's the way we fought  
C D G C  
But a smile never grins without tears to begin  
D G  
For each kiss is a cry we all lost  
C G  
Though nothing is left to gain  
C D  
But for the banshee that stole the grave  
G C Em  
Cause we find ourselves in the same old mess  
G D G  
Singing drunken lullabies  
Intro:

G  
I sit in and dwell on faces past  
Em  
Like memories seem to fade  
C  
No color left but black and white  
Em D  
And soon will all turn gray  
G  
But may these shadows rise to walk again  
Em  
With lessons truly learnt  
C  
When the blossom flowers in each our hearts  
Em D  
Shall beat a new found flame  
C G  
Must it take a life for hateful eyes  
C D  
To glisten once again  
G C Em  
Cause we find ourselves in the same old mess  
G D G
