[Verse 1]

Well I know I miss more than hit
With a face that was launched to sink
And I seldom feel the bright release
It's been the worst day since yesterday

[Verse 2]

If there's one thing I have said
Is that the dreams I once had now lay in bed
As the four winds blow my wits through the door
It's been the worst day since yesterday

[Chorus 1]

Fallin' down to you sweet ground
Where the flowers, they bloom
Well it's there I'll be found

Hurry back to me, my wild colleen
It's been the worst day since yesterday

[Chords during solo]

A A G D
A A G A

[Verse 3]

Though these wounds have seen no wars
Except for the scars I have ignored
And this endless crutch well it's never enough
It's been the worst day since yesterday

[Chorus 2]

Hell says hello well it's time I should go
To pastures green that I've yet to see
Hurry back to me my wild colleen
It's been the worst day since yesterday

[Outro]

It's been the worst day since yesterday
It's been the worst day since yesterday
