[Verse 1]

Cm  
Your love was never more than an illusion

Fm G7  
I thought belonged to me

Cm  
And to you I was the gold you saw

Fm G7  
At the bottom of, at the bottom of the stream

Cm  
You were contented knowing it was there

Fm G7  
And always, always would be

Cm  
As long as you could hold

Fm G7  
For a second before it slipped free

[Bridge]

Cm  
I can't blame you entirely I was well aware that she

Fm G7  
Had a part of you to keep

Cm  
But he came and tried to force. And didn't that love take its course?

Fm G7  
I can't give you my heart because I can't share yours

[Chorus]

Cm  
I can't say you let me down any less

Fm G7  
Than I... any less than I let you down

Cm  
I can't say you let me down any less

Fm G7  
Than I... any less than I let you down

[Fast Verse in Spanish]

Cm G  
El tuyo, un amor de ilusión

Que ahí se quedaba, que ahí se quedara

Cm G  
Hay que aguantarse cuando

Fm G  
Todo se va a resbalar, todo se va a resbalar

Cm G  
A ti no te echo la culpa. Bien sabía yo que guardaba

Fm G  
Ella es parte de ti

Cm G  
Pero te pasaste. Te esforzaste

El corazón mío no puedo darte ya que el tuyo no se puede compartir
