

Flora Cash - You're Somebody Else

Tom: C

Am
I saw the part of you
F
That only when you're older you will see too
Em
You will see too
Am
I held the better cards
F
But every stroke of luck has got a bleed through
Em
It's got a bleed through
Am
You held the balance of the time
F
That only blindly I could read you
Em
But I could read you
Am
It's like you told me
F
Go forward slowly
C
It's not a race to the end

Am
Well you look like yourself
F
But you're somebody else
C
Only it ain't on the surface
Am
Well you talk like yourself
F
No, I hear someone else though
C
Now you're making me nervous

Am
You were the better part
F
Of every bit of beating heart that I had
Em
Whatever I had
Am
I finally sat alone

F
Pitch black flesh and bone
C
Couldn't believe that you were gone
Em

Am
Well you look like yourself
F
But you're somebody else
C
Only it ain't on the surface
G
