

Florence and The Machine - Drumming Song

Tom: **G**

(**Em**)
 There's a drumming noise inside my head
 That starts when you're around
 I swear that you could hear it
 It makes such an all mighty sound

(**Em**)
 There's a drumming noise inside my head
 that throws me to the ground
 I swear that you should hear it
 It makes such an all mighty sound

C
 Louder than sirens
A7
 Louder than bells
C
 Sweeter than heaven
A7
 And hotter than hell

Em
 I ran to a tower where the church bells chime
 I hoped that they would clear my mind
Em
 They left a ringing in my ear
 But that drum's still beating loud and clear

C
 Louder than sirens
A7
 Louder than bells
C
 Sweeter than heaven
A7
 And hotter than hell

C
 Louder than sirens, louder than bells
A7
 Sweeter than heaven and hotter than hell
C
 Louder than sirens, louder than bells
A7
 Sweeter than heaven and hotter than hell

Em **C**
 As I move my feet towards your body
A7 **C**
 I can hear this beat it fills my head up
Em **C**

and gets louder and louder
 it fills my head up and gets louder and louder **A7** **C**

Em
 I run to the river and dive straight in
 I pray that the water will drown out the din

C
 But as the water fills my mouth
A7
 it couldn't wash the echoes out
C
 But as the water fills my mouth
A7
 it couldn't wash the echoes out

C
 I swallow the sound and it swallows me whole
A7
 Till there's nothing left inside my soul
C
 As empty as that beating drum
A7 **Em**
 But the sound has just begun

(As I move my feet...)
C
 There's a drumming noise inside my head
