

Florence and The Machine - How Big How Blue How Beautiful

Tom: C

D **Am** **C**
Between a crucifix and the Hollywood sign, we decided to get hurt

Am **G** **D**
Now there's a few things we have to burn, set our hearts ablaze

Am **C** **D**
And every city was a gift and every skyline was like a kiss upon the lips

Am **G** **D**
And every city was a gift and every skyline

F **G** **Am**
How big, how blue, how beautiful

F **G** **C** **D**
How big, how blue, how beautiful

Am **G**
And meanwhile a man was falling from space

C **D**
And every day I want your face

Am **G**
Like an atmosphere around me

C **D**
The satellite inside me

Am **G**
And meanwhile a man was falling from space

C **D**
And every day I want your face

Am **G**
Let the atmosphere surround me

C **D**
The satellite inside me

Am
What are we gonna do?

G **C** **D**
We've opened the door, now it's all coming through

Am
What are we gonna do?

G **C** **D**
We've opened the door, now it's all coming through

F **G** **Am**
How big, how blue, how beautiful

F **G** **C** **D**
How big, how blue, how beautiful

And I was making you a wish

G **C** **D**
And every skyline

Am **G**
And if my man was falling from space

C **D**
And every day I want your face

Am **G**
Like an atmosphere around me

C **D**
The satellite inside me

F **G**
So much time on the other side

C **D**
Waiting for you to wake up

F **G**
So much time on the other side

C **D**
Waiting for you to wake up

F **G** **Am**
How big, how blue, how beautiful

Like an atmosphere around me
