

Florence and The Machine - Howl

Tom: F

Dm **C**
If you could only see the beast you've made of me
Bb
I held it in but now it seems you've set it running free
Dm **C**
Screaming in the dark, I howl when we're apart
Bb
Drag my teeth across your chest to taste your beating heart

C
My fingers claw your skin, try to tear my way in
Bb
You are the moon that breaks the night for which I have to howl
C
My fingers claw your skin, try to tear my way in
Bb
You are the moon that breaks the night for which I have to

Dm **C** **Bb**
Howl, howl
Dm **C** **Bb**
Howl, howl

Dm **C**
Now there's no holding back, I'm making to attack
Bb
My blood is singing with your voice, I want to pour it out
Dm **C**
The saints can't help me now, the ropes have been unbound
Bb
I hunt for you with bloodied feet across the hallow'ed ground

C **Dm**
Like some child possessed, the beast howls in my veins
Bb **A**
I want to find you, tear out all of your tenderness

Dm **C** **Bb**
And howl, howl

Dm **C** **Bb**
Howl, howl

Dm **C** **Bb**
Be careful of the curse that falls on young lovers
Dm **C** **Bb**
Starts so soft and sweet and turns them to hunters
Dm **C** **Bb**
Hunters, hunters, hunters
Dm **C** **Bb**
Hunters, hunters, hunters

Dm **C**
The fabric of your flesh, pure as a wedding dress
Bb
Until I wrap myself inside your arms I cannot rest
Dm **C**
The saints can't help me now, the ropes have been unbound
Bb **Dm**
C **Bb**
I hunt for you with bloodied feet across the hallow'ed ground
Dm **C** **Bb**
And howl

Dm **C** **Bb**
Be careful of the curse that falls on young lovers
Dm **C** **Bb**
Starts so soft and sweet and turns them to hunters
Dm **C** **Bb**
A man who's pure of heart and says his prayers by night
Dm **C** **Bb**
May still become a wolf when the autumn moon is bright

Dm **C**
If you could only see the beast you've made of me
Bb
I held it in but now it seems you've set it running free
Dm **C**
The saints can't help me now, the ropes have been unbound
Bb **C** **Dm**
I hunt for you with bloodied feet across the hallow'ed ground
