Tom: F

I'm not calling you a liar,^C
 Just don't lie to me.^F

 Just don't steal from me,^F
 I'm not calling you a ghost,^{Gm}
 Just stop haunting me,^F
 And i love you so much,^{Gm}
 I'm gonna let you,^F
 Kill me.^{Gm}

^D
 There's a ghost in my lungs
 And it sighs in my sleep,^C
 Wraps itself around my tongue,^F
 As it softly speaks
 Then it walks, then it walks with my legs,^C
 To Fall,^D
 To Fall,^D
 To Fall,^C
 To Fall, at your feet.^F
 Oh but for the grace of god go on,^{Dm}
 And when you kiss me, I'm happy enough to die.^C

I'm not calling you a liar,^C
 Just don't lie to me.^F
 Just don't lie to me.^C

And i love you so much,
 I'm gonna let you
 I'm not calling you a thief,^{Gm}
 Just don't,
 And i love you so much,
 I'm gonna let you,
 Ohh,^{Gm}
 I'm not calling you a ghost,^F
 Just don't,^{Gm}

^D
 There's a ghost in my mouth
 And it talks in my sleep,^C
 Wraps itself around my tongue,^F
 As it softly speaks
 then it walks, then it walks
 then it walks with my legs,^C
 then it walks with my legs,^F

^D
 To Fall,
 To Fall,^D
 To Fall,^D
 To Fall,^D
 To Fall,^D
 To Fall,^C
 To Fall,^C
 To Fall, at your feet.^F
 Oh but for the grace of god go on,^{Dm}
 And when you kiss me, I'm happy enough,^C
