

Florence and The Machine - Light Of Love

tom:

B

[Primeira Parte]

B
Abm Gb
And I came to, walking on the train tracks
How did I get here? And how I get back?

E
I've been up all night, let's stay awake
B Gb
Push it further, you know I'll never break

B
At some point in the party I thought my heart was failing
Abm Gb
You said, "Hey, you're ok. You seem to be still standing"

E
Flashes appeared at the corner of my eyes
B Gb
I saw the stars and I didn't ask why
E
Heard the voices and caught my breath

Ebm
So close and yet so far from death
Dbm
So close and yet so far from death
Gb
So close and yet so far from death

[Pré-Refrão]

B
Well the feeling was always too much for me
Abm Gb
It always came too strong
E
I wanted to get it right so badly
B Gb
That I always got it wrong
B
So you keep pushing on
Abm Gb
You hope it won't be long
E
Till you could find the child you were
B Gb
And find a way to get along

[Refrão]

E
Don't go blindly into the dark
Ebm
In every one of us shines the light of love
Dbm
Don't go blindly into the dark
Gb
In every one of us shines the light of love
E
Don't go blindly into the dark
Ebm

In every one of us shines the light of love
Dbm
Don't go blindly into the dark
Gb
In every one of us shines the light of love

(E Ebm Dbm Gb)

[Ponte]

Dbm Ebm
And oh my little sister, when the drugs were wearing off
E B
I climbed into your bed and said, "I think I did too much"
Dbm Ebm
In some ways that was simpler, being too fucked up to see
Gm Abm
I didn't have to wake up to the world that was around me
Dbm Ebm
And now we are awake and it seems too much to take
E B
I want to close my eyes because I fear my heart will break
Dbm Ebm
I want to look away, I want to look away
Gm Abm
I want to look away, I must not look away

[Refrão]
