Original lifeline

Dm
That original lifeline

F
Hey, look up! Don?t make a shadow of yourself

Dm
Always shutting out the light

F
Caught in your own creation

Dm
Look up, look up! It tore you open

F
And oh, how much?

Gm
Cause there?s a hole where your heart lies

Bb F
And I can see it with my third eye

Gm
And though my touch, it magnifies

Bb F
You pull away, you don?t know why

Dm
That original lifeline

F
Original lifeline

Dm
That original lifeline

F
Hey, look up! You don?t have to be a ghost

Dm
Hidden amongst the living

F
You are flesh and blood! And you deserve to be loved

Dm
And you deserve what you are given

F
And oh, how much?

Gm
Cause there?s a hole where your heart lies

Bb F
And I see can it with my third eye

Gm
And though my touch, it magnifies

Bb F
You turn away, you don?t know why

Original lifeline

Dm
That original lifeline

F
Cause your pain is a tribute

Em
The only thing you let hold you

Gm
Wear it now like a mantle

Am
Always there to remind you

F
Would you pay it as a tribute?

Em
The only thing you let hold you

Gm
Wear it now like the mantle

Am
Always there to remind you
