

Florence and The Machine - What Kind Of Man

Tom: G

G
I was on a heavy tip
Em Bm
Tryna cross a canyon with a broken limb
G
You were on the other side
Em Bm
Like always, wondering what to do with life
G
I'd already had a sip
Em Bm
So I'd reasoned I was drunk enough to deal with it
G
You were on the other side
Em Bm
Like always, you could never make your mind
C Am Em D
And with one kiss
C Am Em D
You inspired a fire of devotion
C Am Em D
That lasted for 20 years
C Am Em
What kind of man loves like this
C Am Bm D
C Am Bm Em (power chords)
(x2)
C Am Bm D
C Am Bm Em
To let me dangle at a cruel angle
C Am Bm D
Oh my feet don't touch the floor
C Am Bm Em
Sometimes you're half in and then you're half out
C Am Bm D
But you never close the door
C Am Bm Em
What kind of man loves like this
C Am Bm D
What kind of man
C Am Bm Em
What kind of man loves like this
C Am Bm D
What kind of man
G Em
You're a holy fool all coloured blue

Bm
Red feet upon the floor
G Em
You do such damage, how do you manage?
Bm
Tryna crawl in back for more
C Am Em D
And with one kiss
C Am Em D
You inspired a fire of devotion
C Am Em D
That lasted for 20 years
C Am Em
What kind of man loves like this
C Am Bm Em
What kind of man loves like this
C Am Bm D
What kind of man
C Am Bm Em
What kind of man loves like this
C Am Bm D
What kind of man
C Am Bm Em
But I can't beat you cause I'm still with you
C Am Bm D
Oh mercy I implore
C Am Bm Em
How do you do it? I think I'm through it
C Am Bm D
Then I'm back against the wall
C Am Bm Em
What kind of man loves like this

What kind of man

What kind of man loves like this
