

# Flume - Never Be Like You

Tom: C

Intro: C Dm7 Am F

What I would do to take away

This fear of being loved, allegiance to the pain

Now I fucked up and I miss you

I'll never be like you

I would give anything to change

This fickle-minded heart that loves fake shiny things

Now I fucked up and I miss you

I'll never be like you

I'm only human, can't you see?

I made, I made a mistake

Please just look me in my face

Tell me everything's okay

'Cause I got it

Ooh, never be like you

I'm only human, can't you see?

I made, I made a mistake

Please just look me in my face

Tell me everything's okay

'Cause I got it

Ooh, never be like you

How do I make you wanna stay?

Hate sleeping on my own, missing the way you taste

Now I fucked up and I miss you

I'll never be like you

Stop looking at me with those eyes

Like I could disappear and you wouldn't care why

Now I fucked up and I miss you

I'll never be like you

I'm only human, can't you see?

I made, I made a mistake

Please just look me in my face

Tell me everything's okay

'Cause I got it

Ooh, never be like you

I'm only human, can't you see?

I made, I made a mistake

Please just look me in my face

Tell me everything's okay

'Cause I got it

Ooh, never be like you

I'm falling on my knees

Forgive me, I'm a fucking fool

I'm begging, darling, please

Absolve me of my sins, won't you?

I'm falling on my knees

Forgive me, I'm a fucking fool

I'm begging, darling, please

Absolve me of my sins, won't you?

I'm only human, can't you see?

I made, I made a mistake

Please just look me in my face

Tell me everything's okay

'Cause I got it

Ooh, never be like you

I'm only human, can't you see?

I made, I made a mistake

Please just look me in my face

Tell me everything's okay

'Cause I got it

Ooh, never be like you

Baby, baby please believe me

C'mon, take it easy

Please don't ever leave me

Ooh, never be like you
