

# Flume - Never Be Like You (feat. Kai)

Tom: C  
Intro: C Dm Am F

What I would do to take away  
This fear of being loved, allegiance to the pain  
Now I fucked up and I miss you  
I'll never be like you

I would give anything to change  
This fickle-minded heart that loves fake shiny things  
Now I fucked up and I miss you  
I'll never be like you

I'm only human, can't you see?  
I made, I made a mistake  
Please just look me in my face  
Tell me everything's okay  
'Cause I got it  
Ooh, never be like you

I'm only human, can't you see?  
I made, I made a mistake  
Please just look me in my face  
Tell me everything's okay  
'Cause I got it  
Ooh, never be like you

How do I make you wanna stay?  
Hate sleeping on my own, missing the way you taste  
Now I fucked up and I miss you  
I'll never be like you

Stop looking at me with those eyes  
Like I could disappear and you wouldn't care why  
Now I fucked up and I miss you  
I'll never be like you

I'm only human, can't you see?  
I made, I made a mistake

Please just look me in my face  
Tell me everything's okay  
'Cause I got it  
Ooh, never be like you

I'm only human, can't you see?  
C'mon, take it easy  
Please don't ever leave me  
Ooh, never be like you
