

Flyleaf - Breathe Today

Tom: **G**

Tabbed by: Maverickxl7

Tuning: DADGBE

This is my first tab but I think I did pretty well in accuracy in this song.
I really love this song along with all of the songs on the album and I plan
I would put in the number of times you play each section but I am limited in
time at the moment, so just listen to the song to figure it out. Thanks, enjoy!
