

Ellen Foley - What's a Matter Baby

tom:

I know the reason you've been cryin' **A**

And I heard she won't be needin' you **D E A E A Gbm**

How does it feel, bein' the one left behind (What's the matter baby) **A D**

What's the matter baby, is she hurtin' you? **D E A E A**

And I heard you found out she's been cheatin' **A Gbm**

Oh yeah and I heard you even thought that she was untrue **D E A E A**

Well how does it feel being on the outside lookin' in (What's the matter baby) **A Gbm**

What's the matter baby, is she hurtin' you? **D E A E A**

What's the matter baby, is she hurtin' you? **Gbm A**

What's the matter baby, is she hurtin' you? **Gbm E**

Remember, remember when I needed you so bad **D A**

Remember, what you had to say **E A**

You told me Little girl, find another sooner or later, **D A Gbm**

You left, you left then and you walked away **D E G**

I know, I know that you've been askin' about me (What's the matter baby) **C Am**

well I'm sorry baby but I've got somebody new **F G C**

Whoa, whoa, whoa my hurt, my hurt, my hurt is just about over **F C Am**

Well let me tell you somethin' baby, it's just startin' for you **C G**

What's the matter baby, is she hurtin' you? **Am C F G**

What's the matter baby baby baby, that girl has she been hurtin' you? **C**

What's the matter baby? **Am C**

What's the matter, uh? **Am C**

Come on boy, you can tell me **Am C**

Remember I'm a very good friend of yours **Am C**

Yes and I know a little bit about pain **Am C**

Does it hurt?... **Am C**

Does it hurt, uh? What's the matter baby?... **Am C**
