Intro: C C Em Em (4x)

[Primeira Parte]

C

Baby, come on get stoned, get stoned

Em

Get inside it, inside it, inside it, inside

C

Get along, get along, get alone, get alone, get

Em

Heard about the week on the Dalymount seat, yeah

C

Baby, come on 'fore the going gets gone

Em

Heard you lied to the

Major, won't be long

C

Well I wish upon a wedding for a picture in

Em

When they knock for ya don't forget who you are the star

C

Skinty Fia

[Instrumental]

[Segunda Parte]

C

Baby, come on, whose side are you on?

Em

I don't wanna see the queen, I already sing her song

C

While they're snuffing out hopes and they're blotting out suns

Em

They claim to know the form in which genius comes, yeah

C

Baby, come on, get your high heels on

Em

It's the body is cold, it's the course is run

C

What artless living, all this soft pain thrills

Em

What calamities usher all our brilliance to the hills

C

Can you feel it?

C C Em Em (8x)

[Terceira Parte]

C

Baby, come on get stoned, get stoned

Em

Get inside it, inside it, inside it, inside

C

Get along, get along, get alone, get alone, get

Em

Was it the weed or the moment that stoned ya?

C

Baby, come on get the hourglass on

Em

I will dart into town, no I won't be long

C

If the talk's getting cold, we'll be chancing none

Em

Well you know what I'm saying, our day will come

C

Can you feel it?

Em

Won't be long

C Em

Can you feel it?
