

# Foo Fighters - Best Of You

Tom: **E**

**Eb Db**

**Dbm**

I've got another confession to make

**A**

I'm your fool

**Dbm**

Everyone's got their chains to break

**A**

Holding you

**B**

Were you born to resist?

**A**

Or be abused?

**Dbm**

Is someone getting the best

**B A**

The best, the best, the best of you?

**Dbm**

Is someone getting the best

**B A**

The best, the best, the best of you?

**Dbm B A**

Or are you gone and on to someone new?

**Dbm**

I needed somewhere to hang my head

**A**

Without your noose

**Dbm**

You gave me something that I didn't have

**A**

But had no use

**B**

I was too weak to give in

**A**

Too strong to lose

**Dbm**

My heart is under arrest again

**A**

But I'll break loose

**Dbm**

My head is giving me life or death

**A**

But I can't choose

**B**

I swear I'll never give in

**A**

No, I refuse

**Dbm**

Is someone getting the best

**B A Gb7**

The best, the best, the best of you?

**Dbm**

Is someone getting the best

**B A Gb7**

The best, the best, the best of you?

**Dbm**

Has someone taken your faith?

**B**

It's real, the pain you feel?

**A**

Your trust?

**Gb7**

You must confess

**Dbm**

Is someone getting the best

**B A Gb7**

The best, the best, the best of you?

( **Dbm A** )

Passagem:

**A**

**A**

**B**

Oh, ooh

**A**

Oh, ooh

**B**

Oh, ooh

**A**

Oh, ooh

**Dbm**

Has someone taken your faith?

**B**

It's real, the pain you feel?

**A Gb7**

The life, the love you'd die to heal

**Dbm**

The hope that starts

**B**

The broken heart

**A Gb7**

Your trust, you must confess

**Dbm**

Is someone getting the best

**B A Gb7**

The best, the best, the best of you?

( **Dbm** )

## Acordes
