

Foo Fighters - BreakOut (acústico)

Tom: **E**

Intro:

You make me dizzy, running circles in my head
One of these days I'll chase you down

Well look whose going crazy now, we're face to face my friend
Better get ou-ou-out, better get out

Chorus

You know you make me break out, make me break out
I don't want to look like that
I don't want to look like that
You know you make me break out, make me break out
I don't want to look like that
I don't want to look like that, you know you make me break out

Bridge 1

You can see this on my face, It's all for you

The more and more I take, I break right through

Therapy still scares me,
Putting me on my back again

I may be crazy, little frayed around the ends
One of these days I'll phase you out

Burn it in the blast off
Burn it in the blast off
Watching me crawl away
Try to get out, try to get out

Bridge 2 (Coda)

Break out! Break out!
Go, go, go!

Make me break out..
Yeah!

Acordes
