Chorus

You know you make me break out, make me break out I don't want to look like that I don't want to look like that You know you make me break out, make me break out I don't want to look like that I don't want to look like that, you know you make me break out

Bridge 1

You can see this on my face, It's all for you

The more and more I take, I break right through

Therapy still scares me, Putting me on my back again

I may be crazy, little frayed around the ends One of these days I'll phase you out

Burn it in the blast off Burn it in the blast off Watching me crawl away Try to get out, try to get out
