

Foo Fighters - Come back

Tom: **A**

key/legend:

~ - hold note/vibrato

s - slide up or down

- hammer on/pull off

b - bend

--/

--/- means repeat last bar

-/-- i used it for the acoustic bit

/--

Intro: /verse

unsure about this note

prechorus:

e|-----

B|-----

G|-----

D|--7--

A|--7--

E|--5--

bridge:

1st guitar

i think the 3 chords at the end are a second guitar. but if

you are

on your own like me, play the last octave note at the 7th fret

of the **A**

string, rather than at the 12th of the **E** string, it makes the

jump a lot

smaller.

bridge: the other way to play it

bridge: 2nd guitar

finish on A:

e|-----

B|-----

G|-----

D|--7-- then

A|--7-- --7~--6~--4~--2~--

E|--5--

Acoustic bit: this could take a while. i'll do both guitars.

G1 is basically the intro, and it doesn't really stray.

after a while he starts to strum more, but its the same thing

the whole time.

G1

2

full electrics now

G1 for 8 bars

G2 comes in after 4 bars with:

then is goes like this. i'm not certain here, but it sounds

close.

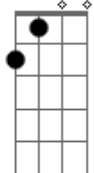

its just hte chorus riff whit extra guitar 2.

G1

ending riff:

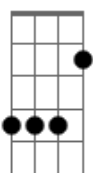

Acordes

A
