

Foo Fighters - Concrete And Gold

Tom: C

A Bm
You lost your mind
C G
I could not go
A Bm F
What little time we spent
G A Em
A penny on the floor

D Em
My desperation
F C
A spinning top
Bb
Revolving on and on
C D A
A world that never stops

A Bm
Is it all mine?
C G
How could I know?
A Bm F
We threw the rind away
G Am Em
Swallowed all the core

D Em
Tried levitation
F C
You're not alone
Bb
The stars are holding open
C D A
A door we'll never close

D Em
I have an engine made of gold
D Em
Something so beautiful

The world will never know
(Bm G Abm)

G D
Our roots are stronger than you know
G D
Up through the concrete we will grow
G D
Our roots are stronger than you know
G D
Up through the concrete we will grow

(Am G F Em)
(Dm C Bb Am)
