```
Tom: G
                                                     Chorus:
  1. Still
                                                     use the following chords:
2. What If I Do?
3. Miracle
4. Another Round
5. Friend of a Friend
                                                              Bb
6. Over and Out
                                                     What if I do love....
7. On the Mend
8. Virginia Moon
                                                     What if I don't?...
9. Cold Day In The Sun
10. Razor
                                                     I'd have to loose...
______
                                                     Just to find you...
Still
                                                     Solo:
                                        11x
                                                     Guitar 2:
                                        5x
                                        3x
                                                     Not sure about the tuning, think it's tuned 1/2 a step down
                                                     and the tab is not 100% correct :).
                                                     If find any improvemnts or figure out the bridge, email me :).
