

Foo Fighters - Let It Die Intro

Tom: **G**

LET IT DIE - Foo Fighters

Tuning: Standard

-INTRO- Played once

Then play 11 more times, except you slide up to 8 on the **D** string. The slide is each time it's played, so listen to the song to figure it out.

-CHORUS-

-INTRO- x12

-CHORUS-

Immediately following the chorus:

(Don't count all the 3's. Just listen to the song, and follow the rhythm.)

-BRIDGE- x3

Don't have to be too accurate here, as every note played fits in.

Then this

Electric comes in here

And follow up with this x3

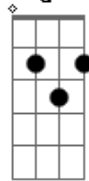

-FINAL CHORUS-

Then it's this x3

And it ends with
