

Foo Fighters - Long Road To Ruin

Tom: C

ouça bem a música pra pegar o ritmo da guitarra 1 e do solo, depois é só curtir e tocar!

Intro: dução/verso

Intro: C

Guitarra 1

Guitarra 2

C
Hey now don't make a sound

F
Say have you heard the news today

One flag was taken down

C
To raise another in its place

C
A heavy cross you bear

F
A stubborn heart remains unchanged

No harm, no life, no love

No stranger singing in your name

pr-e refrão

Guitarra 1

Guitarra 2

Am G
Maybe the season

C G
The colors change in the valley skies

Am G
Dear God, I've sealed my fate

C
Running through hell

D
Heaven can wait

Refrão

F
Long road to ruin

C
There in your eyes

F C C-G
Under the cold streetlights

Am
No tomorrow

D F
No dead end in sight

final do refrão (em F)

Verso 2

Guitarra 1

C

Let's say we take this town

F
No king or queen of any state

Get up to shut it down

C
Open the streets and raise the gates

I know a wall to scale

F
I know a field without a name

Head on without a care

Before it's way too late
