Tom: **D**  
Intro:

Verso 1

This indecision got me climbing up the walls  
I've been cheating gravity and waiting on the fall  
How did this come over me, I thought I was above it all  
Our hope's gone up in smoke, swallow your crown  
Choke! On a kiss, I thought I'd save my breath for you  
Choke! On a kiss, I thought I'd save my breath for you

Refrão

Give me some rope I'm coming loose, I'm hanging on you

Give me some rope I'm coming loose, I'm pulling for you now  
Give me some rope I'm coming out of my head, into the clear  
When you go I come loose

Verso 2

These premonitions got me crying up a storm  
Leave your condition, this position does no harm

Choke! On a kiss, I thought I'd save my breath for you  
Choke! On a kiss, I thought I'd save my breath for you

Refrão

Give me some rope I'm coming loose, I'm hanging on you

Give me some rope I'm coming loose, I'm pulling for you now  
Give me some rope I'm coming out of my head, into the clear  
When you go I come loose
