Intro: A G   A B G   x4

[Verse 1]
A G   A B G
   If you want to
A G                       A B G
   I'll make you feel something real just to bother you
A G   A B G
   Now I got?you
   A G                 A B G
   Under?my thumb like?a drug I will smother you
   A G
   I'll?be the one
            A B G
   Be the moon

   Be the sun
          A G
   Be the rain in?your?song
           A B G
   Go?and put that?record on
A G   A B G
   If you?want to
A G
   I'll be the one
            A B G
   Be the tongue that will swallow you
A G   A B G
   Shame, shame
   A G   A B G
   Shame, shame

[Chorus]
Am                    G
Another splinter under the skin
F                 D
Another season of loneliness
Am                    G
I found a reason and buried it
F                 D
Under a mountain of emptiness

Am G F D x2

A G   A B G
Shame, shame
A G   A B G
Shame, shame

[Verse 2]

A G       A B G
   Who, what, where, when
A G
   Just move along
       A B G
   Nothing wrong

   Until we meet again
A G   A B G
   I'll be the end
A G                       A B G
```

```
   I'll be the war at your door

   Come and let me in
A G
   I'll be the one
          A B G
   Be the moon

   Be the sun
          A G
   Be the rain in your song
          A B G
   Go and put that record on
A G   A B G
   If you want to
A G                       A B G
   I'll be the one be the tongue that will swallow you

[Chorus]

Am                    G
Another splinter under the skin
F                 D
Another season of loneliness
Am                    G
I found a reason and buried it
F                 D
Under a mountain of emptiness

Am G F D x2

A G   A B G
Shame, shame
A G   A B G
Shame, shame
A G   A B G
Shame, shame
A G   A B G
Shame, shame
G F   G A F
Shame, shame
G F   G A F
Shame, shame
A G   A B G
Shame, shame
A G   A B G
Shame, shame

[Chorus]

Am                      G
Another splinter under the skin
F                   D
Another season of loneliness
Am                    G
I found a reason and buried it
F                   D
Under a mountain of emptiness

Am G F D x2

A G   A B G
Shame, shame
A G   A B G
