Gtr 1 - 4x	Oh sweet ignition be my fuse You have no choice you have to choose Bid farewell to yesterday Say goodbye I'm on my way I threw it all away because I had to be what never was Been so hungry I could lie You took my word, I took your wine And held you with my bloody hands These rattled bones and rubber bands Washed them in the muddy water Looking for a dime and found a quarter But you can't make me change my name Will never make me change my name Pay no mind now ain't that something Fuck it all I came from nothing
