

Foo Fighters - The Sky Is A Neighborhood

Tom: **F**
Intro:

[Verse 1]

The sky is a neighborhood, so keep it down
The heart is a storybook, a star burned out
The sky is a neighborhood, don't make a sound
Lights coming up ahead, don't look now

The sky is a neighborhood
The sky is a neighborhood, don't look now

Oh my dear, heaven is a big bang now, gotta get to sleep somehow
Bangin? on the ceiling, bangin? on the ceiling, keep it down
Oh my dear, heaven is a big bang now, gotta get to sleep somehow
Bangin? on the ceiling, bangin? on the ceiling, keep it down

Mind is a battlefield, all hope is gone
Trouble to the right and left, whose side you're on?
Thoughts like a minefield, I'm a ticking bomb
Maybe you should watch your step, don't get lost
