

Foo Fighters - Tired of you

Tom: C

dropped D tuning

verse: this is just the chords, you can work out the changes yourself i'm sure.

Gm F Bb A Gm F Bb A Gm C Gm C Gm F Eb D

chorus:

Gm F Eb D Gm F Eb D

verse2: same chords with this slow melody

Gm F

Bb A Gm F

Bb A G C G C G

F Eb D

chorus: same chords with this melody

G F Eb D

next bit:

D C G C Eb

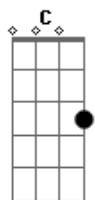

outro: chords are just:

Gm F

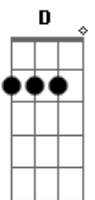

or something like that. nothing fancy.

as for the chorus that whiney sound you hear i really don't know if thats a guitar. this riff sounds close to it but there's deffinatly a bit missing. its more than one note im pretty sure.
