

For King & Country - Control

Tom: C

Intro: Am C G

You asked me to let go but I thought I knew better

Afraid of surrender and what I don't know

I've always had a plan but now I'm so weary

And I can't see clearly, forgot who I am

So won't You make my eyes Your eyes

My ears Your ears, my tears Your tears

And won't you make my hands Your hands

My feet Your feet, my dreams Your dreams

I give up control, oh, oh whoa

Body, mind, and soul, oh, oh whoa

Can't do this on my own, no, no

I give up control

Can I speak honestly? I've still got some questions

Still fightin' attention, I need some relief

No, I'm no Superman, this is my confession

Been learnin' my lesson, help me understand

So won't You make my eyes Your eyes

My ears Your ears, my tears Your tears

And won't you make my hands Your hands

My feet Your feet, my dreams Your dreams

I give up control, oh, oh whoa

Body, mind, and soul, oh, oh whoa

Can't do this on my own, no, no

I give up control

I will raise my voice and sing

I will, I will raise my voice and sing

It's all I've got left to bring

I will, I will raise my voice and sing

I will raise my voice and sing

I will, I will raise my voice and sing, yeah

It's all I've got left to bring

I will, I will raise my voice and sing

I give up control

I give up control, oh, oh whoa

Body, mind, and soul, oh, oh whoa

Can't do this on my own, no, no

I give up control

Oh, give up control, oh, oh whoa

My body, mind, and soul, oh, oh whoa

I can't do this on my own, no, no

I give up control

Oh, I give up control

(Ooh)
